OVERVIEW

As a dedicated **Front-End Developer and a React & Next.js Specialist**, I continuously expand my skills and stay up-to-date with the latest UI technologies to build **high-performance, scalable, and user-friendly web applications**. Deeply invested in creating seamless digital experiences, I focus on **clean, efficient code** and modern development practices to enhance usability and performance.

SKILLS

HTML	Tailwind CSS	React JS	Next.JS
CSS	Bootstrap	Redux Toolkit	Git
JavaScript (ES6+)	Framer-Motion	Typescript	GitHub

Work Experience

System Administrator (Pro-Active) | Raya Data Center

Mar.2025 – Present

- Monitor notification and monitoring tools, analyze alerts, and assign cases to technical teams. Provide first-line support for applications and networks, manage scheduled outages, and ensure effective communication with ISPs, internal teams, and impacted customers.

Freelance Front-End Developer

Jan.2025 – Present

- Designed and developed responsive web applications using **React, Next.js, JavaScript, and Modern UI technologies**, ensuring optimized performance and seamless user experiences. Managed projects efficiently, meeting deadlines and client requirements.

Font-End Developer Intern | Web Masters

Nov.2024 – Feb.2025

- Gained hands-on experience in **building responsive web applications** using modern front-end technologies. Worked on real-world projects, enhancing skills in **React, JavaScript, and UI development** while collaborating with a professional development team.

PROJECTS

Personal Portfolio | Next.js & React

[Link](#) - [Repo](#)

- Developed a responsive portfolio website using Next.js, React, and Tailwind CSS, ensuring high performance, SEO optimization, and a seamless user experience.

Club de Cinema Movies & TV Website | React & Bootstrap

[Link](#) - [Repo](#)

- A responsive movie website with dynamic listings, API integration, and a clean UI using React, Bootstrap, and Swiper, ensuring fast performance and modern digital experience.

Sanayi Website | Full-Stack (React & Node.js).

[Link](#) - [Repo](#)

- Developed a full-stack job listing platform with **user authentication, search functionality, and dynamic job postings**, using React, Bootstrap, Node.js, Express and MongoDB for a seamless and secure user experience.

Responsive Landing Page | HTML, CSS, JavaScript, Bootstrap

[Link](#) - [Repo](#)

- A fully responsive landing page with a modern UI, optimized performance, and smooth interactions using HTML, CSS, JavaScript, and Bootstrap.

CRUD System Website | JavaScript & Bootstrap

[Link](#) - [Repo](#)

- A dynamic CRUD system with create, read, update, and delete functionality with Regex validation using JavaScript and Bootstrap, ensuring a responsive and user-friendly interface.

EDUCATION

Bachelor's degree, Electrical Engineering | **GPA: Very Good.**

The Arab Academy for Science, Technology and Maritime Transport

Courses

JavaScript Essentials I&II | CISCO

Feb.2024 – Jul.2024

- Completed a comprehensive course covering **CSS3, Advanced JavaScript, TypeScript, Bootstrap, Git & GitHub, React.js, and code best practices** to build scalable and efficient web applications.

React Web Developer | DEPI

Apr.2024 – Oct.2024

- Completed a comprehensive course covering **CSS3, Advanced JavaScript, TypeScript, Bootstrap, Git & GitHub, React.js, and code best practices** to build scalable and efficient web applications.

TypeScript Fundamentals | Mahara Tech

Dec.2024 – Jan.2025

- Completed a course on TypeScript covering **data types, generics, classes, modules, interfaces, and OOP principles**, with a focus on **error handling, efficient coding, and TypeScript compiler usage** for scalable development.

The Principles of Writing Clean Code| Mahara Tech

Feb.2025 – Mar.2025

- Completed a course on writing **efficient, readable, and maintainable code**, covering **best practices, error handling, clean functions, and code documentation** to enhance software quality.

Languages

- Arabic** (Native Tongue)
- English** (Fluent)
- French** (Conversational)

Personal Information

- Military Status:** Completed
- Marital Status:** Single
- Birthdate:** 26th.Jul.1997

Soft Skills

- Problem Solving** – Developed strong analytical and problem-solving skills through the **Digital Egypt Pioneers Initiative (DEPI) Front-End Web Development Course**, applying structured approaches to debugging and optimizing web applications.
- Rapid Learning** – Adapted quickly to new technologies and troubleshooting techniques in my role as a **System Administrator at Raya**, efficiently resolving customer issues in a fast-paced environment.
- Teamwork** – Gained hands-on experience in collaboration and leadership as the **team leader** of my graduation project at **AASTMT**, where I successfully managed a **large-scale industrial unit distribution, protection, and installation project**, earning an **Excellent Grade**.
- Project Management** – Developed effective time management and organizational skills as a **freelancer**, ensuring timely project completion and optimal resource allocation.
